## BIOGRAPHY

David Capiello is a Venezuelan lyric tenor and trained countertenor whose voice spans the full arc of classical repertoire and contemporary Latin crossover. His nationally broadcast blind audition on *The Voice Dominicana* (Telemicro, 2021) — delivering Puccini's *Nessun Dorma* and turning all four chairs — introduced his instrument to a regional prime-time audience.

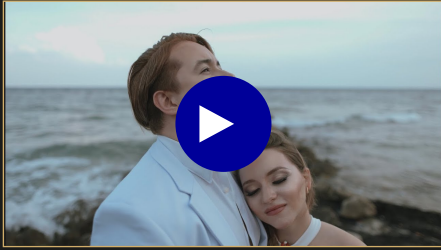

In 2024 he attended the 25th Annual Latin Grammy Awards in Miami, was featured in *OLM — Original Living Magazine*, and released *Qué nadie duerma... Nessun Dorma* — a Spanish-language crossover interpretation of Puccini's signature aria, available on all major streaming platforms.

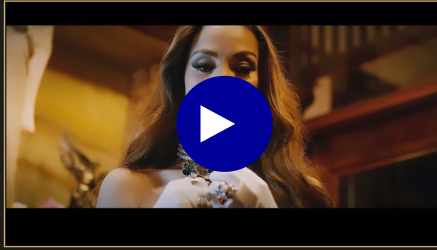

“Enthralling global audiences with his extraordinary voice.”
